TERMS AND CONDITIONS

DESIGN CHANGES

Manufacturers of products sold by Industrial Controls Distributors, Climatic Division, Inc. are constantly making improvements and changes in the design of their products. It is not possible to give advance notice of such changes in all cases. We therefore reserve the right to deliver goods of revised design unless otherwise agreed and requested in writing by purchaser.

WARRANTY AND LIABILITY

Industrial Controls Distributors, Climatic Division, Inc. assigns to purchaser any and all warranties which are made by the manufacturer of the products or components we sell. **The manufacturer's warranty is exclusive and in lieu of all other warranties whether written, oral or implied, and we make no warranty of merchantability or fitness for a particular purpose nor do we warrant engineering, drawings or other services provided by Industrial Controls Distributors, Climatic Division, Inc. in packaging or combining of one or more manufacturer's products.**

WARRANTY CLAIMS

Defective products will be accepted in warranty and purchasers account credited if the product has failed within the manufacturer's published warranty period, and within the parameters of the manufacturer's limited warranty, and all necessary information is provided regarding the sale and installation of the product.

The conditions of any tests of any component or equipment alleged to be defective shall be mutually agreed upon, and both manufacturer and Industrial Controls Distributors, Climatic Division, Inc. shall be notified of and may be represented at all tests that may be made. Industrial Controls Distributors, Climatic Division, Inc.'s liability to purchaser arising out of the supplying of the component parts or equipment, or its use, whether based on warranty, contract, or negligence, shall not in any case exceed the cost of correcting defects in the components and/or equipment as herein provided, or to provide a replacement for the defective product or to give credit based on the original cost of the product, and upon the expiration of the applicable warranty period, all such liability shall terminate. The foregoing shall constitute purchaser's sole remedy and our sole liability. In no event shall Industrial Controls Distributors, Climatic Division, Inc. be liable for any special consequential damages.

TITLE AND DELIVERY

All shipments of goods shall be delivered F.O.B. Industrial Controls Distributors, Climatic Division, Inc.'s warehouse or Manufacturer's plant and the liability for loss or damage thereto shall pass to purchaser upon Industrial Controls Distributors, Climatic Division, Inc. or Manufacturer tendering delivery of the goods to a carrier for shipment to purchaser and any loss or damage thereafter shall not relieve purchaser from any obligation hereunder. Purchaser shall be liable for costs of insurance and transportation unless specifically stated as part of our quotation and/or invoice. Industrial Controls Distributors, Climatic Division, Inc. shall not be liable for any loss or expense incurred by purchaser for any delay or failure in delivery.

DRAWINGS

All computer-generated electronic drawings that we create, including CAD drawings, AutoCAD drawings, custom control drawings, electrical drawings, or any other computerized drawing or electronic file of a drawing ("Electronic Drawings") are not included in any quotation or sale with us, except if specifically included as a line item in the quotation. In no event shall we be required to provide or in any way disclose to you any Electronic Drawings. The Electronic Drawings shall at all times remain the sole property of us and any quotation or sale with us shall only entitle you to hard copies or paper drawings of any work or services we perform for you in accordance with the quotation or sale.

NOTICE OF LIEN RIGHTS

Industrial Controls Distributors, Climatic Division, Inc. reserves the right to file a lien on all construction projects as deemed necessary.

TAXES

The prices stated on our quotation do not include any sales, use or other excise tax and the amount of any thereof which we are required to collect will be invoiced to purchaser.

CONTRARY TERMS AND CONDITIONS

Acceptance of purchaser's order is based specifically on the terms and conditions herein contained and the provisions of any purchase order or other writings inconsistent herewith shall be null and void whether set forth in your purchase order or any other document.
